**About Trevi Group:**

*Trevi Group is a worldwide leader in the field of soil engineering (special foundations, soil consolidation, recovery of polluted sites), in the design and marketing of specialized technologies in the sector.*

*The Group was established in Cesena in 1957; it has around 70 companies and, with its dealers and distributors, is present in 90 countries. Internationalization, integration and the continuous exchange between its two divisions are among the reasons for the success of the Trevi Group: Trevi, which carries out special foundations and soil consolidation works for large infrastructure projects (subways, dams, ports and docks, bridges, railway and highway lines, industrial and civil buildings) and Soilmec, which designs, manufactures and markets machinery, systems and services for underground engineering.*

*The parent company Trevi – Finanziaria Industriale S.p.A. (TreviFin) has been listed on the Milan stock exchange since July 1999. Trevifin is listed on Euronext Milan that supersedes the old term MTA, as a result of the market rebranding activities that followed the acquisition of Borsa Italiana by Euronext N.V.*
