¹ Under the agreements reached with MEIL to which the Oil & Gas Division was sold on March 31st, 2020, (in this regard, see, inter alia, the press release issued on the same date, available on www.trevifin.com, “Investor Relations / Press Releases” section), in the first days of April 2020 the Parent Trevifin provided an interest-bearing loan of Euro 10 million to MEIL Global Holdings BV, with three-year bullet repayment. Therefore this loan, starting from April 1st, 2022, is classified in the current financial assets. It should be noted that to date, this loan has not yet been repaid by the counterparty.

The main changes in **the Company** Net Financial Position as of May 31st, 2023, compared to December 31st, 2022, are due to:

- flows generated by operating activities,
- payments of financial payables to leasing companies,
- effects of the completion of the overall transaction aimed at strengthen the capital and restructure the Group’s debt finalized in January 2023 in execution of the 2022 financial restructuring plan (the “**2022 Financial Restructuring**”), which *inter alia* let to the collection of Euro 25 million as cash capital increase, as well as the conversion of bank debt by the adhering banks for Euro 32.7 Euro million according to a credit-to-capital conversion ratio of 1.25 to 1 (see the press releases dated November 17th, 2022 and January 11th, 2023, available on www.trevifin.com, “Investor Relations / Press Releases” section),
- IFRS9 effect on financial debt for a positive impact of approximately Euro 12.2 million.

It should be noted that, as a result of the effectiveness of the 2022 Financial Restructuring, the current loans and other current financial liabilities of the **Company** decreased by approx. Euro 122.6 million, mostly due to their reclassification as long-term loans, following the rescheduling of the bank debt to December 31st, 2026.

The C.F.O., Massimo Sala, in his position as the Director responsible for drawing up the Company's accounting statements, hereby declares, pursuant to Article 154-bis, paragraph 2 of the TUF, that the information contained in this press release accurately represents the figures contained in the Company's accounting records.

About Trevi Group:

Trevi Group is a worldwide leader in the field of soil engineering (special foundations, soil consolidation, recovery of polluted sites), in the design and marketing of specialized technologies in the sector. The Group was established in Cesena in 1957; it has around 65 companies and, with its dealers and distributors, is present in 90 countries. Internationalization, integration and the continuous exchange between its two divisions are among the reasons for the success of the Trevi Group: Trevi, which carries out special foundations and soil consolidation works for large infrastructure projects (subways, dams, ports and docks, bridges, railway and highway lines, industrial and civil buildings) and Soilmec, which designs, manufactures and markets machinery, systems and services for underground engineering.

The parent company Trevi – Finanziaria Industriale S.p.A. has been listed on the Milan stock exchange since July 1999. Trevifin is listed on Euronext Milan: TFIN.
