

NEW CONTRACTS ACQUIRED IN THE MIDDLE EAST

Cesena, 14 December 2009

SWISSBORING Overseas, a subsidiary of TREVI Group, has won four special foundation contracts in Abu Dhabi and Doha (Qatar) for a total amount of US\$ 30 million.

The contracts, received from clients of the first standing, will be carried out in 2010 and are mainly for the special foundations of a hospital and a national museum.

These contracts are proof of the continuing business being done by TREVI Group in the region.

The Chairman, Davide Trevisani, commented: *“As in the past, the Group order book is characterised by strong geographic and sector diversification and by a solid component of medium-sized contracts specially chosen because of the technology required for their realisation and because of their expected profitability; winning the above contracts is, therefore, in this tradition and also bears witness to the existence of new business opportunities in the Middle East for those companies able to demonstrate a solid competitive advantage and a strategic positioning.”*
