

DRILLMEC WINS A CONTRACT WORTH OVER USD 105 MILLION TO SUPPLY THREE OIL RIGS

Cesena, 7 March 2011

Drillmec S.p.A., part of the TREVI Group, through its subsidiary **Drillmec Inc.**, has won a contract to supply and maintain three complete plants, each of 1,500 HP, for **Petroleos Mexicanos (Pemex)**, the Mexican State company operating in oil exploration and extraction.

The contract value is over USD 105 million and the plant is expected to be delivered within one year of the contract being signed.

The aforementioned newly designed plant will be manufactured and tested in the USA at the facilities of Drillmec Inc. in Houston; it will then be transported and installed in Mexico where Drillmec Inc. employees will provide technical assistance. Drillmec S.p.A. will support its subsidiary in all technological aspects and in the project management.

Simone Trevisani, Managing Director of Drillmec S.p.A., stated: *“This contract has strategic importance also for the future development of the Group in the Oil & Gas sector. Recognition from Pemex, the leader in the sector, further consolidates the presence of Drillmec in the Americas and will lead to further opportunities”*.

About TREVI GROUP:

Trevi Group is a worldwide leader in the field of soil engineering (special foundations, tunnel excavation, soil consolidation and the building and marketing of special rigs and equipment relevant to this engineering sector); the Group is also active in the drilling sector (oil, gas and water) both in the production of plant and the supply of services, and it also builds automated underground car parks. The Group was established in Cesena in 1957 and today has more than 30 branches and is present in over 80 countries. Its success is due to the vertical integration of the main divisions making up the Group: Trevi, the division that supplies special services in the field of soil engineering, Petreven, the oil drilling division of the Group, Soilmec, the division that produces and develops plant and machinery for soil engineering and Drillmec, the division that produces and develops drilling rigs (oil, gas and water). The parent company TREVI – Finanziaria Industriale Spa has been listed on the Milan stock exchange since July 1999. Total Revenues in 2009 amounted to € 1,035.8 million; EBITDA was € 181.8 million (17.6%); EBIT was € 117.4 million (11.3%); Net profit was € 82.2 million.
