### **About TREVI Group:**

*Trevi Group is a worldwide leader in the field of soil engineering (special foundations, tunnel excavation, soil consolidation and the building and marketing of special rigs and equipment relevant to this engineering sector); the Group is also active in the drilling sector (oil, gas and water) both in the production of plant and the supply of services, and it also builds automated underground car parks. The Group was established in Cesena in 1957 and today has more than 30 branches and is present in over 80 countries. Its success is due to the vertical integration of the main divisions making up the Group: the Trevi Division that supplies special services in the field of soil engineering;; the Petreven Division active in oil drilling services;; the Soilmec Division that produces and develops plant and machinery for soil engineering;; and the Drillmec division that produces and develops drilling rigs (oil, gas and water).*

*The parent company has been listed on the Milan stock exchange since July 1999.*

*The key financial figures for 2016 are: Total revenues of € 1080.5 million, EBITDA of €75.7 million (margin of 7%), a negative EBIT of €38 million, and a Group Net Loss of €86.4 million. Further information can be found on the website:*
