

Gruppo **TREVI**

Cesena, April 18, 2018 – TREVI – Finanziaria Industriale S.p.A. – ISIN code IT0001351383 (“the Company”) announces, in reference to the article issued this morning on Milano Finanza, and after the request of the Authority, that, as part of the Group debt restructuring, as per the press release dated December 18, 2017, the Company is also considering activities that could lead to the valorization of some Group asset's in the Oil & Gas segment. In this context, although the Company contacted and started the discussion with various potential investors, no binding offer has been received at the moment.

About Trevi:

Trevi Group is a worldwide leader in the field of soil engineering (special foundations, tunnel excavation, soil consolidation and the building and marketing of special rigs and equipment relevant to this engineering sector); the Group is also active in the drilling sector (oil, gas and water) both in the production of plant and the supply of services, and it also builds automated underground car parks. The Group was established in Cesena in 1957 and today has more than 30 branches and is present in over 80 countries. Its success is due to the vertical integration of the main divisions making up the Group: Trevi, the division that supplies special services in the field of soil engineering, Petreven, the oil drilling division of the Group, Soilmec, the division that produces and develops plant and machinery for soil engineering and Drillemec the division that produces and develops drilling rigs (oil, gas and water). The parent company has been listed on the Milan stock exchange since July 1999.
