Wednesday, 29 June 2022

- Shareholders’ Meeting to approve the 2021 Annual Report.

The above postponement will allow account to be taken of the progress of negotiations underway with the lending banks in relation to the proposed financial and capital strengthening manoeuvre of the Trevi Group (see the press release dated 22 December 2021, available on the Company’s website www.trevifin.com, in the “Investor Relations/Press Releases” section). Even in the absence of a renewal of the Moratorium and Standstill Agreement signed on 5 August 2021, which ceased to be effective as of 1 January 2022, the Company is continuing to negotiate the guidelines of the aforementioned proposed manoeuvre, which compared to what was anticipated to the market in December last year would undergo a partial reduction in the financial receivables to be converted by the lending banks.

The terms of the financial manoeuvre and the timing of its implementation will be promptly disclosed to the market once the agreement with the lending banks is reached, which is expected to occur by July 2022.

The terms of the financial manoeuvre and the related implementation times will be promptly disclosed to the market once an agreement is reached with the lending banks, which is expected to take place by July 2022.
